

More Good Years Together.

Advanced longevity tracking for the pets who hold us together. Secure your priority access to the Founding Cohort.

What you're getting.

01 — Two Comprehensive Panels

Tracking 90+ health signals per year, catching subtle changes before symptoms appear.

02 — Full Physical Exam

Nose-to-tail veterinary evaluation including a thorough oral health assessment.

03 — Behavioral Tracking

Validated at-home questionnaires to catch hidden signs of aging and anxiety.

04 — AI-Powered Clinical Report

Health Potential Metrics and personalized recommendations based on the latest research.
